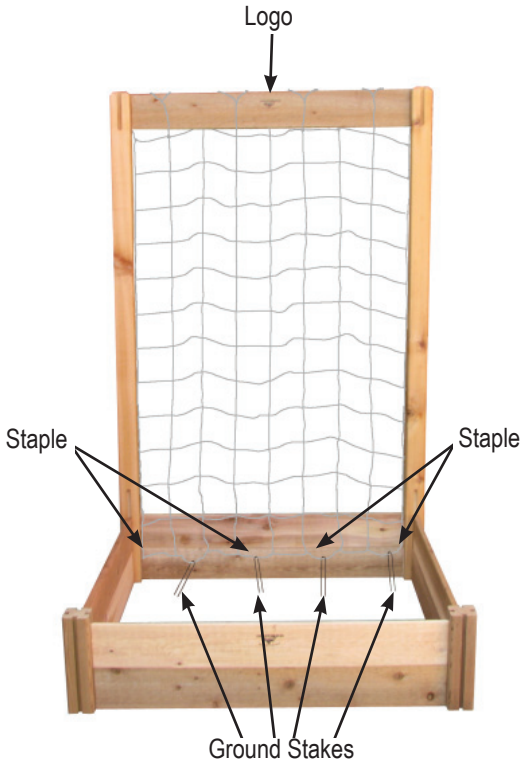
## 3 Side Rail And Net Placement

Install the side rail (with Logo facing the planter box) into the slots on the trellis posts and slide down.

NOTE: Make sure the net is seated in the notches on the ends of the side rail when installing side rail and trellis net onto the trellis posts.

Stretch and secure the trellis net with staples to the garden bed side rail or secure the trellis net to the ground with ground stakes.



Use ground stakes or staples (supplied in kit) to secure the trellis net.
